

DINER

EST. 2003

Studio Diner was built in the summer of 2003,
next door to San Diego county's then largest TV/Film studio.

Between 1991 and 2006, Stu Segall Productions
filmed close to 1000 hours of television and film.

After hundreds of thousands of meals served,
Studio Diner is now a San Diego icon.

We thank you for your continued support.
